Dear Huff:

We are writing to say we are very pleased that the MBNMS will be convening a panel of fisheries related socio-economic experts to review and provide input on the analysis performed by Ecotrust. This is extremely important to us. We have also become aware that the July dates may not work for some key people who should be involved on this panel. We are writing to express our hope that you and the MBNMS will be flexible on these dates to make sure that people like Carrie Pomeroy, Mike Dalton, Susan Abbott-Jamieson and Flaxen Conway will be able to participate. It would also be good to include PFMC staff Jenifer Gilden and Jim Seger.

Thank you for considering this.

Sincerely,

Mike Ricketts, Co-Chair, ACSF

Kathy Fosmark, Co-Chair, ACSF

C: Holly Price, Acting Superintendent, MBNMS
